

MERCHANTS OFFER PRIZES, SPECIALS FOR 'DRAYTON DAZE' WEEKEND

Clerk of Month Award Presented

Mrs. Rena Brown of the Drayton Valley Hotel Cafe is shown above receiving the plaque as "Clerk of the Month" for September from Alf Armstrong, representing the Retail Merchants Association, sponsors of the event. Looking on at right is Teddy Lee, manager of the cafe.

Dinner to Fete Maclures

A testimonial dinner in honor of Dr. H.L. and Mrs. Maclure will be held on October 27th under the sponsorship of the Drayton Valley and District Chamber of Commerce. The dinner will start at 7:00 p.m. in the Elks Hall in Drayton Valley.

During the evening a community farewell gift will be presented to Dr. and Mrs. Maclure.

Tickets are limited to 250 and will be available after October 17th from the Royal Bank in Drayton Valley and Evansburg and Treasury Branches in Drayton Valley and Wildwood.

Zane Bruner Wins Seed Plot Award

Mervyn H. Jaque, Director, 4-H and Junior Forest Warden Branch, Alberta Department of Youth, announces the six top winners of the Provincial 4-H seed plot competition.

Forty 4-H club members submitted entries in three seed plot divisions; senior, intermediate and junior.

In the senior seed plot competition, Charles Leskdw of Hamlin placed first and Terry Stickland of Red Deer placed second.

In the intermediate division, David Nishi of Bow Island placed first and Lyle Shwetz of Waskateneau placed second.

In the junior division, Bob Fleischer of Crossfield placed first and Zane Bruner of Evansburg placed second.

First and second place winners in each division were awarded prizes donated by the Alberta Wheat Pool, Federal Grain Limited and United Grain Growers. First place winners in each division received silver engraved trays from the Alberta Department of Youth.

Chamber Meeting

Executive meeting of the Drayton Valley and District Chamber of Commerce will be held in the Cardium Room at 7:00 a.m. on Thursday, October 16th.

Musical Comedy Enjoyed by Many

A good crowd was present in the Frank Maddock High School Auditorium Friday evening for the musical comedy "Stop the World -- I Want To Get Off".

Presented by the University of Alberta Jubilaires, the Drayton Valley appearance was in the wind-up weekend before the opening in Edmonton on October 17th for a five day run. The show was also scheduled for Olds on October 11th and had previously played in Cardston and Athabasca.

Members of the cast were very pleased with their reception in Drayton Valley and several commented that the audience here

was the most responsive of appearances to date.

The show was sponsored here by the Drayton Valley Rotary Club.

Following the show, the group were guests of the Rotary Club at a late supper in the Scout Hall where their spontaneous enthusiasm with singing and dancing kept the Rotary members and guests entertained.

Plans for overnight billeting had been changed, and following a delicious meal prepared by Mrs. Bohdan Urchysyn, the young people boarded their bus about midnight for the return trip to Edmonton.

Moon Lake 4-H Club Trophy Winners

Moon Lake 4-H Beef Club members are shown here with trophies presented at the annual banquet in the Moon Lake Hall Friday evening. From left to right are George Cherrington who accepted the trophy for Rod Sinclair; Ralph Johnson, Kenny Woloszyn and Karen Tufty.

This is the weekend for shopper's specials in Drayton Valley!

Drayton Valley merchants are co-operating in "Drayton Daze" from October 16th to 18th with special values and prizes for lucky shoppers. Check this issue of The Western Review . . . you'll find shopping specials on almost every page.

Three major prizes, one \$50.00, and two of \$25.00 will be drawn for at 4:00 p.m. on Saturday, October 18th. Please note the change from Centennial Civic Centre to main street in front of Adam's Shoe Store as the location for the Saturday draw.

As well as the main prizes, co-operating businesses are offering a wide variety of in-store prizes. Make sure you fill in the coupons available at stores for a chance on the prizes.

Trophies Presented At 4-H Club Wind-up

Wind-up banquet of the Moon Lake 4-H Beef Club was held in the community hall there Friday evening with a good crowd of youngsters and parents in attendance.

Guest speakers for the evening were Mr. Doug Bienert, Regional 4-H Representative, Department of Youth and Mr. Earl Lowe, District Agriculturist of Stony Plain. Both congratulated the club on a fine effort in its first year of organization.

Club leader Norman Johnson got the evening started and from that point on all members of the club shared in introductions and presentation of awards.

Mr. Lowe noted in his address the fact that all the clubs' calves graded "choice" at the achievement day with the exception of one "good". This was a fine achievement for a first year club he said.

Mr. Lowe spoke on the topic of profitable beef raising and films were shown later by Mr. Bienert.

Presentation of trophies highlighted the evening with the following receiving recognition:

Rod Sinclair, Reserve Champion Trophy, presented by Imperial Bulk Sales, Entwistle.

Ralph Johnson, Efficiency Trophy presented by Mr. and Mrs. Otto Hansen; Best Feed Conversion Trophy presented by Mr. and Mrs. Bud Tufty; Showmanship Trophy, presented by Pembina Peerless Coal.

Kenny Woloszyn, Grand Champion Calf, presented by Moon Lake Community Hall; Best Gaining Calf, presented by Entwistle Livestock Co-op.

Karen Tufty, Trophy for Best Records, presented by the Royal Bank, Drayton Valley.

Peewee trophies were presented to the following:

TOMAHAWK DISTRICT FIRE INSPECTIONS

To all residents of Tomahawk and area. Your Fire Dept. will be making a voluntary inspection of your property between now and first of the year. Inspections will be made by the Captains and their crews.

Kindly assist your fire dept. in making this inspection for your own protection and safe fire record for our community.

Your Fire Chief,
W.M. Wickware.

Bangs Vaccination Starts October 20

The fall voluntary Bangs vaccination program will commence October 20th. At the Agr. Committee meeting on February 28th the members of the Committee passed, that the fall vaccination program be done with the aid of

township captains and the spring program be continued in using the card system.

At this meeting it was the opinion of the members, that more farmers will realize the benefits in having their heifer calves vaccinated. The new "Official Vaccinate" is a female calf vaccinated with Brucella abortus Strain 19 Vaccine not earlier than three months and not later than nine months after the date of birth. The new vaccinations fees were in effect since last spring. A minimum charge per call of \$3.00 and one to three heifers will be vaccinated for this charge, and 80 cents per head up to ten animals, and 30 cents per head over ten.

A small cost involved in vaccinating your replacement heifers now, might be beneficial later

4-H Trophies Presented

Agriculture Minister H. A. (Bud) Olson chats with Mary Vincent, Dairy Queen of England and Wales, who was a recent visitor to Canada.

BERRYMOOR NEWS

Mr. Ralph Thatcher has returned from Parksville, B.C. where he had been visiting with his son Ronald and family. At present he is away on a trip to Calgary.

A shower for Mr. and Mrs. Bill Gilchrist will be hosted by Mrs. Martin Lietz at her home on the evening of Saturday, October 18. Everyone is welcome to attend and bring their gifts for our young newly-weds.

Mr. and Mrs. Lloyd Ellis of Breton visited at the home of Mr. and Mrs. Donald Martin one evening this week. Lloyd showed slides that he has taken of scenic views in our local area. They were very good and made one realize what a beautiful countryside that we live in. Most of the time we are in too much of a hurry to really see it.

Mrs. Florence Johnston has returned from an enjoyable visit spent with her son, Clifford and his family in B.C.

Mr. E.J. Neff of Prince George B.C. accompanied by his son John spent a couple of days with Mr. E. Neff, Sr. at Warburg. During that time John Neff motored out to Berrymoor to spend some time with his relatives there.

Get well wishes are extended to Miss Myrmita Cropley who spent a few days in the Drayton Valley Hospital last week. She is presently at home but expects to be back at school soon.

The Lindale Home and School Association held a meeting at

the Lindale School recently. One of the items on their agenda included making plans to hold a show at the school on the evening of October 24. It is hoped to have the very popular film "Mary Poppins".

The sympathy of the district is extended to Mr. and Mrs. Joe Olson of Lindale on the death of their daughter. The funeral was held at the Lindale Hall on Friday, October 10.

Congratulations to Mr. Brian Thorsen and Miss Sandra Hiltz of Calgary who are to be married at Lloydminster on Saturday, October 11.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

Dear Folks,

Part of the activities that go on in school include club work. Perhaps you can remember belonging to a Red Cross Club. Well, this organization is still in operation. The following was written by Lori Swap about the formation of such a club in our school.

Our Junior Red Cross Club On the 12th of September, Mrs. Hammerlind's Grade 5 class decided upon having a Junior Red Cross Club. The class held nominations and the following were elected: President, Michael Gamble; Vice-President Glenn Poloway; Secretary, Lori Swap; Treasurer, Marie Swanlund.

The president told the class that we had to have conveners. The following were nominated and elected: Girls Leader, Paula Pankewicz; Boys Leader, Donald Armstrong; Stamp Conventor, Sharon Schneider; Magazine Conventor, Trevor LaBranche; Health Kit, Philip Toews; Coupon Conventor, Paul Johnson; Scrap Book, Bradley Brown; Doll Conventor, Delene Janishewski.

These people will have to look after the things that are made or bought for the club. The class enjoys the club very much.

The Red Cross motto is: I Serve.

Joke of the Week: Have your children been coming home muddy, dirty and wet? Maybe you should see the school yard -- the part behind the school that isn't paved, drained or grassed and which has no playground equipment. There are just mud puddles to play in.

Now You Need A Laugh: Who saw Mrs. Hurley, by herself, bowling ten games straight, early one Sunday morning shortly after the new pin-setting machines arrived?

Sincerely,
Olga Brown.

Little Want-Ads get big results at low, low cost.

And live a little!

All you need is an automatic washer and electric dryer. With one setting of a simple control, the washer fills itself, washes, drains, rinses, and damp-dries. Then the dryer takes over. Keeps your clean wash free from impurities in the air. Fluffs clothes into a natural shape for easier ironing. And takes special care of your permanent-press garments. There's no hard work. No watching. No waiting. Your time's your own.

You've banished your washday blues!

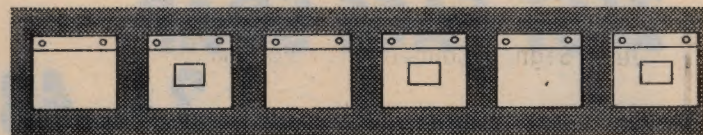

With an automatic washer and electric dryer, you don't have to do the whole family wash the same day. Do a little at a time. Whenever you feel like it. Even when it's pouring rain.

Get yourself a new automatic washer and electric dryer from your local major appliance dealer, and live a little.

BURTONSVILLE NEWS

Steve and Irene Ashvolda and their children of Wildwood, Mr. and Mrs. Axel Homme of this area, and Zoltan and Norma Petriko and children of Edmonton were all visitors at Cecil and June Homme's on Sunday.

Eldon Kennedy of Edmonton visited at the parsonage on Monday and helped his dad get in the vegetables. In the late afternoon Rev. Kennedy left for Laneria to visit his children in that area.

Don Tattersall of Lodgepole visited his mother and David last week and they all took a drive to Drayton Valley for the day.

We are sorry to learn that Alma White of the Woodland area has undergone surgery in the Stony Plain Hospital. We hope you will soon be up and around again Alma.

Immanuel Lutheran Church, Tomahawk

D. V. Highlights

BY MRS. EDITH DEBY

Had coffee and a visit with Edward and Helen Hill on Monday at their new home in Swan Hills. Helen now has time for some of the oil painting that she enjoys and is currently working on a still life featuring a fireplace, brass fittings and a bowl of fruit. Very lovely.

We hope the wild fowl had been warned that Nimrods Doug Goebel and Rick Tuffs were in the duck blinds over the weekend.

Mr. and Mrs. Frank Neil were called to Lifton, Saskatchewan on Sunday by the sudden, serious illness of Mr. Neil's father, Mr. Neil Sr. had a heart attack.

Mr. Charles Davies has joined the staff of the County of Parkland as a police officer.

Mr. and Mrs. Roy Burrows were in Vancouver on business last week.

Mrs. Dave Frieson and two of her children have been visiting with Mrs. Frieson's mother, Mrs. Roy Plotts.

Mr. and Mrs. Dave Strocher and family of Calgary were guests of Mr. and Mrs. Pickett for the Thanksgiving weekend. Mr. Strocher was in the Royal Bank here for a time.

We regret to report that Mr. Stanley Watson's health is deteriorating steadily.

Did you know that a recording has been made of the last cantata directed by Dr. MacLure and is available from Miss Donna Laybolt at 10016 - 111 St., Edmonton? Phone 482-3411.

Best wishes for future happiness are extended to Mr. and Mrs. Ron Clermont, nee Velda Thompson, whose marriage was solemnized in St. Anthony's on October 11th.

Friends will be concerned to hear that Miss Louise Bufford is ill. Miss Bufford is the lady who served us all so very pleasantly when she was assistant to the postmaster.

Gleaned from St. Anthony's

Tomahawk Church to Mark 30th Anniversary Sunday

On Sunday, October 19th Immanuel Lutheran Church in Tomahawk will celebrate the 30th anniversary of their church building. Special anniversary services will be held at 11:15 a.m. and 2:30 p.m. to commemorate the event.

The church, which stands on a hill overlooking the hamlet of Tomahawk, has served as a landmark to resident and traveller alike since its construction in 1939. The total cost of the building at the time of construction was \$7,800. The building is now valued at \$22,000.

Dr. A.H. Schwermann of Edmonton, a pioneer Lutheran pastor in western Canada and first president of Concordia College in Edmonton, will be the guest speaker in the morning. Dr. Schwermann also served as guest speaker at the dedication of the building. A fellowship potluck meal will be served by the ladies of the congregation following the morning service. Rev. A.H. Raduenz of Barrhead, Alberta will preach at the afternoon service of praise and thanksgiving. Pastor Raduenz served as pastor of the congregation at the time the present building was constructed.

Lutheran worship services were first held in Tomahawk in 1910 when pastors from Stony Plain would periodically visit the area. The first church, which also served as a school and pastor's house, was constructed in 1919 when the first resident pastor, Rev. Christian Schmidt was called. The seven original voting members were: Gottlieb Pischke, Rudolph Schadeck, Mike Jabs, and Henry Welk,

all deceased, and Julius Welk, Mike Zander and August Steinke who still reside in the area. Even though the congregation went for long periods of time when the services of a pastor were not available and the members were poor during the early years, the church has prospered. At present nearly 200 communicant members are on the rolls and the Sunday School enrolls over 50 children. The present officers are: Otto Reich, chairman; Eric Pischke, vice-chairman; Carl Goertz, secretary-treasurer; Arthur Welk, financial secretary; Henry Pischke, Sunday School superintendent; Paul Dusterhoft, Rudolph Dusterhoft, elders; Emil Jouan, Oscar Lemke, trustees. An active Ladies Group (Mrs. Edna Goertz, chairman), and a Youth Group (Gordon Reich, chairman), comprise the other organizations within the church.

Also planned for the Sunday celebration will be special greetings from the county reeve, Mr. Rudolph Zander, a member of the congregation; and Mr. Ralph Jespersen, M.L.A. The present pastor of the church is Rev. Dale D. Mohr.

A special invitation is extended to residents of the community as well as former members of the church.

PARKCOURT NEWS

Congratulations to Mr. Andy Rosadiuk on winning a color TV.

The regular meeting of the Gay Gatherers was held at the home of Mrs. Frank Weigle. A discussion on the coming fall supper took up the business portion of the evening. The club is now sending out a regular news letter to former residents of Park Court and this is also written up at each meeting. Mrs. Hazel Fausak is responsible for the typing of it. Mrs. Irene Ohl won the hostess prize.

Gregory Ohl lost a few days of school when he had the misfortune to scald his foot.

Mr. Johnny Brunet and Bobby spent the long Thanksgiving weekend on a hunting trip.

A large number of young people enjoyed themselves on Friday night at the barn dance in the school.

Due to the wet weather farmers have been unable to get on the land and most are keeping busy in other ways. Several, including Harvey Marchand, Andy Pauldure and Ed Schmitt are working on new buildings.

We see Joe Wychinski driving by in his truck so know he must be happy to be on 'wheels'.

Misses Marybell and Valerie Fausak of Edson and Edmoriton spent the weekend at their home here.

Two young brothers were arguing. Said the elder, to support what he had been saying, "I ought to know. Don't I go to school, stupid?"

"Yes," replied the other, "and you also come home stupid."

Alcoholism Topic for A.A.R.N. Regular Meeting

Eleven nurses met in the Nurses Residence Wednesday, October 8th for their regular monthly meeting. The main topic of the evening was alcoholism and Alcoholics Anonymous.

A guest speaker from A.A. spoke on how alcoholism had effected his life, how he had a spiritual awakening, joined A.A. and thus learned how to control his illness and once more live a happy, useful life.

Alcoholism is a progressive illness spiritual and emotional as well as physical. It can never be cured but like some other illnesses it can be arrested, and this is the purpose of A.A.

A.A. is an informal society

of men and women who have recovered from alcoholism and who today do not use alcohol in any form. It includes members from many faiths and many of the principles of the A.A. recovery program are consistent with teachings of spiritual leaders through the ages but it is not a religious movement.

Members maintain their sobriety by sharing their experience, strength and hope as recovered alcoholics with others and by acceptance of a philosophy embodied in "Twelve Steps" suggested for recovery and "Twelve Traditions" suggested for relationships within the fellowship and with the community.

The A.A. tradition of personal anonymity at the public level is assurance to the world that they will not use the A.A. name for personal profit, prestige or power and an assurance to the newcomer that his identity will not be revealed.

The A.A. program is not promoted to any alcoholic who does not seek help voluntarily. Unless the problem drinker realizes his problem and wants help for himself, his chances of success in A.A. are limited.

The next A.A.R.N. meeting will be held November 12th. All nurses welcome.

Instructors' Workshop

A two-day volleyball instructors' workshop has been arranged for October 18th and 19th at the University of Calgary by the Alberta Volleyball Association and the Alberta Department of Youth.

The major objective of the workshop is to prepare qualified instructors throughout Alberta who are willing to organize and present volleyball coaches or officials clinics in home communities.

The workshop will cover all phases of volleyball, including coaches, officiating, teaching methods and philosophy of the game. Volleyball manuals and materials will be supplied to workshop participants.

When you're smiling call for 'Labatt's Blue'

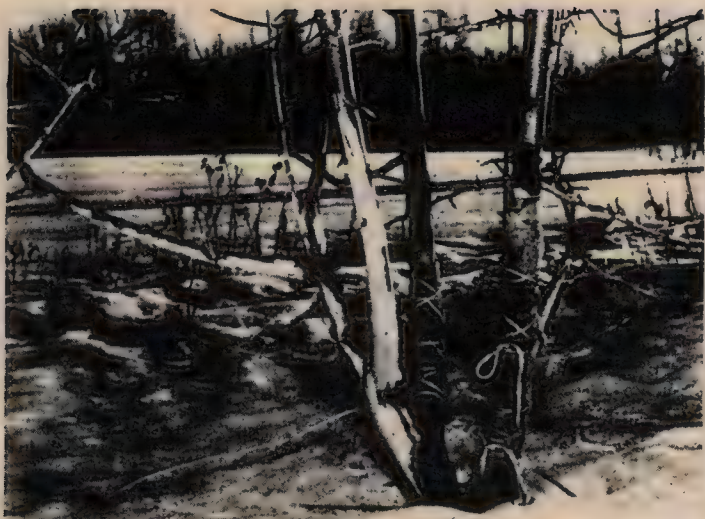

ACROSS CANADA

Labatt's
BEER AT ITS BEST

call for a 'Blue'

THE TRUE-BLUE FRIENDLY BEER

Damage on the unprotected portion of this fruit tree was caused by rabbits when the snow was deep. The picture was taken as the snow was receding in the spring.

Rabbits to Reach Peak During Next Year

The wild life research center at Rochester, 70 miles north of Edmonton, predicts that the rabbit population in Alberta will reach a peak between now and the winter of 1970. The last peak period was recorded in the years 1960 - 62.

During these peak periods, which occur roughly every 10 years, the rabbits do a tremendous amount of damage to trees and shrubs in farm shelterbelts and orchards as well as to ornamentals and fruit trees in gardens and tree nurseries. Trees and shrubs planted close to native bush are the most susceptible to damage.

To minimize the destruction that is likely to occur this winter, the head of Alberta's Crop Protection and Pest Control Branch, J.B. Gurba recommends that farmers, homeowners and nurserymen take preventative measures this fall.

A fence of 36-inch wide poultry netting with 1½ inch mesh is a practical way of protecting a small area of trees or shrubs. The lower edge should be buried a few inches in the ground or covered over with soil. Watch the snow depth during the winter, advises Mr. Gurba, and if necessary, add more netting. It can be held in place with temporary posts driven into the snow.

Wrapping the trunks and lower branches of trees with burlap is another practical method of protecting a small number of trees. The burlap should extend about four feet up the tree. To prevent damage from mold and disease in the spring be sure to remove the wrappings when the snow goes.

The best way to control rabbit damage to a large number of trees is to use a long-lasting commercial repellent such as Morton Chemical's Z.I.P. or Niagara Rodent Repellent. These and other commercial preparations also repel mice, beaver, and deer. They can be either painted or sprayed on the trees, and are available from most farm chemical supply houses.

There are also a number of home-made repellents that do an

equally good job of protecting trees and shrubs. One of these consists of Arasan 42S (Liquid) or Arasan 75 (wetttable powder) mixed with a water emulsifiable black asphalt at the rate of 1 part Arasan to 10 parts asphalt by weight. To use this mixture as a spray rather than as a paint, dilute it with water.

Another effective home-made repellent consists of 1 part nicotine sulphate (blackleaf 40) mixed with 10 parts of asphalt emulsion to which has been add-

FALLIS NEWS

Mr. and Mrs. Frank McCoy and Mrs. Reece of Edmonton called for a short visit at the Ray Patrick home last week. They enquired about many old friends in the district including

ed two or three tablespoonsful of a household detergent. The asphalt in these repellents is known as a "sticker". The "sticker" releases the repellent slowly and continuously over a long period.

Home-made repellents can be used either as a spray or as a paint, depending on the number of trees to be treated. However, they should always be strained before being used in a sprayer or the nozzles will become clogged. Also, the entire spraying apparatus must be thoroughly rinsed after each use with warm water followed by a solvent such as Var-sol or kerosene.

Both commercial and home-made repellent paints and sprays should be applied in the late fall when the trees are dry and the temperature is above freezing, says Mr. Gurba. The trunks and lower branches of the trees should be treated up to a height of at least two feet above the maximum snow drift level in the area.

For further information on rabbit damage control can be obtained from the publication "Control of Mice, Rabbits and Deer in Orchards - 1965," available from district agriculturists and the publications office of the Alberta Department of Agriculture, Edmonton.

the Hayes and Hurst families. They also visited at the former C.G.I.T. Club House with which they were closely associated for many years when the girls held their summer camps here each year.

They visited the He-Ho-Ha-Crippled Childrens' Camp on Lake Isle, north of Twig Inn.

Mr. and Mrs. McCoy are well in health and very much interested in young peoples' activities. Mr. and Mrs. Jack Buchanan

had as their recent guests, Mrs. Raymond (Gayle) Richardson and her small daughter Brenda from the Crownsnest Pass area for a two-week visit.

Friends will be interested to hear that Mr. William Barker, an early resident of the Fallis district has been transferred from the Edmonton General Hospital to the Veterans' Home in Edmonton where he plans to spend the winter months.

All good wishes are sent to Mr. Barker from his many friends.

LIBRARY NOTES

For the benefit of new residents, may we repeat: The Municipal Library is housed in the Town Hall. You enter by the east door. Library hours are: 3 to 5 and 7 to 9 on Tuesday and Friday. Also on both days at noon for bus children only.

The following books are offered for your consideration. "The Store That Timothy Built" by G. William Stevenson has been written for the Eaton centennial and deals with the growth of Eaton's from a tiny store in St. Mary's, Ontario to the mammoth organization of to-day. "The Trumpet of Conscience" by Martin Luther King Jr. is a summing up of his creed, and his final testament. There is a foreword by his wife. "Wild Goose Jack" is an autobiography of Jack Miner. If you are interested in the conservation of wild life this book will hold special interest for you. "A Traveller in Italy" by H.V. Morton is well written and beautifully illustrated. "The Royal Family" by White and Fisher is a day by day account of the life of the royal family. Well illustrated.

Ice Making

Starts Thursday

Ice plant at Centennial Civic Centre will be started up Thursday, October 16th, 1969. Skating will probably start about Wednesday, October 22nd, depending on ice making operations progress.

Society asks of most men more than sheer intellectual ability - it demands also moral hardness, self-discipline, a competitive spirit, and other qualities that in more old-fashioned terms we might simply call character....

TOMAHAWK NEWS

The Tomahawk General Store, which has been operating under the management of Mr. and Mrs. Larry Schlichenmayer will now be taken over by Mr. and Mrs. Pete Berryhill of Tomahawk. They opened for business on October 10th.

Mr. Douglas King of Red Deer has been visiting his aunt and uncle Mr. and Mrs. James Shaw of Tomahawk.

The Tomahawk Curling Club held its directors meeting on Monday, October 6th. The main business of the meeting was regarding tenders for the caretaker job.

The Tomahawk and District Club held a banquet on September 27th to honor their trophy-winning ball players. A very good crowd was in attendance. Trophies were presented by Mr.

Bernie Town of Moon Lake, Mr. Don Cherrington of Moon Lake, and Mr. Cecil Armstrong, Assistant Director of the Parkland Recreation Council. The Ban-tams, (who lost out on their finals), waited on the tables and outside of a few mishaps, did very well.

Miss Linda Shaw, daughter of Mr. and Mrs. Finley Shaw of Tomahawk, recently left for Leamington, Ontario and was married on October 4th to Mr. Michael McGinnis. The ceremony took place in the Leamington United Church and the happy couple will reside in Leamington.

RAMONA NEWS

The Ramona Community League held its monthly meeting on Tuesday, October 7th. There were nine members present. The Hallowe'en party for the children of the district was discussed. The party will be held on Sunday, October 26th. Phyllis Kelly is head of the party committee. All children living in the community are invited to attend.

A dance is planned for November 7th. This will be just a dance so the tickets will be sold at the door. The music will be supplied by the "Oil Tones".

You just have a couple more days to get your tickets for the Lariat Gymkhana Club's annual trophy banquet. The banquet will be held Friday, October 17th. Tickets are available at Lloyd's Jewellery or phone 542-2252.

Happy birthday this week to Vern Benjamin October 16th, Phyllis and Lanny Kelly and Marge Pollard October 20th, Judy Chambers and Keith Davis October 22nd. We hope you all have a very happy day.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending October 9, 1969 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week est.	7950	4700	3250	1450	1450
Last Week	7471	4903	2568	2153	1639
Same Week (1968)	8677	5415	3262	1784	2656

SUMMARY

Trading was active this week on all slaughter and replacement classes. Receipts were up due to the increased volume of stock calves, actual slaughter cattle sales were down slightly from last week. Cattle sales were comprised of 24% slaughter steers and heifers, 10% cows and 64% replacements. 75 - 80% of the total sales were replacements.

Slaughter Cattle & Calves -- Slaughter steers opened strong with prices a full 50¢ higher by mid-week. Handyweight steers brought the top price with several sales up to 26.40. Heifers followed a similar trend with prices 50 - 75¢ higher, light-weight baby beef type heifers sold up to 25.60, with the regular handyweights up to 25.30. Overfinished and heavyweight steers and heifers were discounted, with the excessively overfinished kinds taking a substantial discount. Butcher cows showed some recovery from last week with prices on all classes 1.00 higher. Bulls steady. Veal and butcher calves sold about steady.

Replacement Cattle & Calves -- Feeder steers were in good supply with all classes selling on a fully steady basis. Stock heifers sold strong with several lots selling up to 28.20. Stock cows sold 1.00 higher. Increased offerings of stock calves were meeting a broad demand at fully steady prices.

Shipments -- Last week's shipments off the Edmonton Stockyards: East 474 for slaughter and 211 for feeding; West 356 for slaughter; to Southern Alberta 676 feeders.

SCIENCE ADVANCES INTERESTING KISSING THEORY

Scientists think they have tracked down the origin of kissing. They say it began because of a craving for salt. A caveman discovered that he could cool off on a hot day by licking his neighbor's cheek. According to one source he soon discovered it was a lot more fun if that neighbor chanced to be a female. About that time he forgot all

about salt. Do you believe that?

Lions Plan Annual C.N.I.B. Campaign

On the last long weekend a few miles out of Edmonton, on one of the main highways, a car went through a stop sign colliding with another automobile.

Mrs. Jones, a passenger in the front seat, is now totally blind as a result of the accident. As she is a young housewife in the prime of her life, what a tremendous blow this has been. On recommendation from her doctor, a representative of the CNIB was called in to talk to her.

Mrs. Jones had never had any association with blind people and did not realize accomplishments carried out by them in their daily skills of living. It was explained to her how a Rehabilitation Program could be set up by the CNIB, and that a rehabilitation teacher would come into her home and show her how she could do her house-

work once again and carry on a normal life with her family.

As walking from one point to another is always a problem for the newly blinded, it was pointed out how a Mobility Officer would teach her the proper use of a white cane and other techniques, which would once again build up her confidence in independence.

Many blind Albertans have grasped this independence, and have become self-supporting citizens, mainly through the help of the CNIB.

The CNIB is pleased to have Drayton Valley Lions canvass in this community from October 15th to 31st. Please give them your full support.

It's tough to make a mistake, but it's tougher still to find out you're so unimportant that nobody noticed it.

Warriors Defeat Sedgewick In Thanksgiving Day Game

The local high school Drayton Valley Football Club downed the visiting Sedgewick twelve 39 - 0 in a Thanksgiving Day football exhibition match played on a slightly soggy field.

The local team showing a lot of football know-how and drive, turned back the heavier Sedgewick club in convincing fashion.

Many of the Warriors offensively and defensively had an outstanding day. Scoring for the F.M.H.S. squad were Stan Oulton with two touchdowns, Terry Jevne with two touchdowns and Don Bouschard with a 60 yard pass and run play for a touchdown, also Larry Wall with a touchdown, scored in an Sedgewick fumble in their end zone. Terry Jevne and Gary Mastre also intercepted two Sedgewick passes.

Defensively the Warriors played almost letter perfect as they shut out the hard driving Sedgewick offense. Joe Palmer had an excellent afternoon recovering a couple of Sedgewick fumbles and continually breaking up Sedgewick offensive drives. Also playing well for the defensive squad were Gary Pattison, Jack

Tucker, Glen Swandlund, Ed Karpuk and Tom Tucker.

The Warriors also got outstanding quarterbacking from Doug Ibbotson and Ed Cunningham and fine centering from Tom McGee.

In summary the victory for the local club was a total team effort. By quarters the local high school led 6 - 0, 13 - 0, 27 - 0, 39 - 0.

The team lost an early season match 13 - 12 to the Ponoka High School and now have a one and one record for the season having been inactive for the past three weeks due to an excessive rainy period.

United Nations Program For Regular W.I. Meeting

The W.I. met at the home of Mrs. G. Hancock on October 8th. The president Mrs. E.H. Wollard presided in the chair. There were 9 members present and Mrs. L. Appel was welcomed as a guest.

The program was on United Nations, Mrs. H. Miller passed around a good questionnaire on the subject, which was very educational.

Arrangements were made for

the collection of articles which are to be handed in for the Handicraft Tea which is to be held in November. A donation of \$25.00 was donated to the Wabamun Community Library.

There was also more money given towards the Bakeless Bake Sale, which has been a real success. The roll call was answered by each member giving a gift for the Alberta Hospital at Oliver.

A lovely lunch was then served by Mrs. Hancock and the co-hostess Mrs. R.T. Ward. The tea prize was won by Mrs. F. Anderson. After the meeting ended the ladies had their picture taken.

Mr. and Mrs. Harris Bratt and son attended a wedding in Edmonton and spent the remainder of the weekend at Fawcett.

Little Arch Lillico spent a few days in Drayton Valley Hospital having a tonsillectomy.

Mr. and Mrs. W. Engelman a

and family attended a wedding in Edmonton on Saturday.

Visitors from Edmonton were Mr. and Mrs. Metro Gordey and family.

Milton Reid motored to Rapid View, Saskatchewan accompanied by Mr. and Mrs. Leonard Reic and son Trevor.

Calgary Power entertained the Mannix staff at the completion of the spillway project.

Look at it this way: it's a great little car

that can haul a ton

It's a runabout. It's a light pickup. It's a heavy duty truck. It's a Datsun. Your wife can tote the kids to school in it. You can move bulky furniture in it. And on weekends and holidays the whole family can run away and live in it . . . in the full-size camper at back.

Its big hearted engine is game for anything. And it can get you up to 35 miles to a gallon.

The Datsun is built like a truck but handles like a good small car. Easy to drive. Easy to park. Inside, it's got a wide bench seat, padded sun visors, 2-speed heater/defroster and a smooth 4-speed stick shift . . . just like a car.

Will it last? Many go more than 100,000 miles without a major overhaul. But if you ever need help, you can count on any of over 200 Datsun dealers coast-to-coast and a \$2,000,000 stockpile of parts.

What Are Feeder Cattle Worth?

"Feeder Cattle - What are They Worth?" is the title of a new publication, compiled by the Alberta Animals Industry Division, to help farmers work out what price they can pay for feeders and still hope to make a profit.

The booklet contains a set of tables which show the break-even point for feeder animals in eight different weight ranges and for two different selling weights. The break-even point is determined by the cost of production and the estimated selling price of the market animal.

The best way to arrive at an accurate production cost is to use farm records. However, the person who does not know his production cost can use the average given in the bulletin. This figure was taken from the 1967 "Alberta Cattle Feeding Analysis Report", and represents the average cost for producers reporting in that year.

One way of arriving at a reasonably accurate selling price is to check the futures market to see what livestock futures are selling for in the month in which the cattle will be ready for market. An advantage of this futures price is that if it is high enough to provide a profit, it can be used to hedge or insure the selling price of the feeders. The selling price of cattle can

also be estimated by checking sales reports of livestock selling at a stockyard. The price obtained from this source can then be compared with average prices over past years at the Edmonton and Calgary Stockyards.

The last section of the bulletin contains the average monthly cattle prices for the years 1964 - 1968, and yearly averages for Edmonton and Calgary. This section also contains a table showing the 1967 costs per 100 pounds of live beef and returns for low, medium and high cost enterprises.

"Feeder Cattle - What Are They Worth" can be obtained from district agriculturists and the publications office of the Alberta Department of Agriculture, Edmonton.

People who complain about paying income taxes may be divided into two classes - men and women.

CARNWOOD

Mr. and Mrs. Jim Saunders and Mr. Jack Veldhouse motored to Wildwood recently to visit with John's sister, Mrs. Ahlskog and Mr. Harold Veldhouse.

Mr. and Mrs. Richard Bowen and family spent the weekend at Whitecourt.

The Community extends its deepest sympathy to Mr. and Mrs. Joe Olson and family on the death of their daughter Charylene Olson.

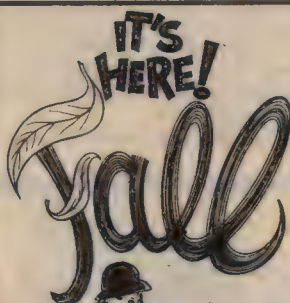

Mr. and Mrs. Don Heslop and family had a nice surprise visit from cousins, Mr. and Mrs. Ken Sadler of Michigan, whom Don had not seen before.

Mr. Mervin McLillaine is home for a few days. He has spent the last two months at Fort St. John, B.C.

There will be Bingo in the Carnwood Community Centre on Friday, October 17 at 8:30 p.m. Congratulations and best wishes from the Community to the newly-weds, Mr. and Mrs. Billy Gilchrist.

Sorry to hear Mrs. William Shipton is on the sick list and also Eddie Nixon.

Some folks from the district attended the Anniversary Party for Mr. and Mrs. Phillip Gladstone's 30th Anniversary and Mr. and Mrs. Don Petree's 33rd Anniversary. Best wishes and many more years of Happy Wedded Bliss.

Cattlemen Advised to Report Missing Animals Immediately

Alberta's 75 brand inspectors and all R.C.M.P. detachments are on the lookout this fall for missing and stolen cattle.

Harry Link, supervisor of the Regulatory Services Branch of the provincial Department of Agriculture, reports that more cattle are listed as missing this year than in previous years. Whether more animals are actually lost or whether more people are reporting their lost animals has not been established. However, Mr. Link feels that last summer's high beef prices probably caused an increase in cattle rustling, and that the final tally this fall will show a larger number of cattle missing than was the case in 1968.

The Regulatory Services Branch and the R.C.M.P. urge all cattlemen to report any missing animals, or animals that appear to be missing, to the R.C.M.P. immediately. If the cattle reappear it is easy to inform the R.C.M.P. They would rather be called out on the odd false alarm than be notified several weeks after an animal has disappeared. With modern transportation it takes only a few hours to move cattle hundreds of miles away. Even though Alberta's brand offices have an excellent working relationship with their counterparts in British Columbia and Saskatchewan, tracking down stolen animals in another province requires a considerable amount of work.

Mr. Link also points out that

it is illegal for anyone to knowingly keep a stray animal in his herd. He should report its presence to the R.C.M.P. If ownership cannot be established, the animals should be impounded.

According to Mr. Link, the brand inspectors in this province returned 524 lost animals, or the proceeds from these animals to their owners last year. This figure, he says, leads one to believe that there could be well over 1,000 stray animals on farms and ranches throughout the province. Their identification would certainly cut down on the number of missing cattle.

Although all livestock dealers in Alberta are required by law to be bonded and to carry a current license, there are people around, especially at this time of year, who are buying cattle under the pretense of being a dealer. To guard against such individuals, Mr. Link stresses that a farmer or rancher should always ask to see their license. Often they will offer a high price for cattle, but their cheque turns out to be no good. Because the man does not carry an Alberta license, there is no bond from which to collect and there is no protection under the Livestock Patron's Assurance Fund.

Mr. Link also warns market operators and producers selling cattle to a dealer from outside the province to be careful. There have been cases, he says, where a dealer licensed in another province, or in the United

States, has bought cattle here and been unable to pay for them. Again, because he does not have an Alberta license there is no protection under the Livestock Patron's Assurance Fund and no claim can be made against a dealer who is bonded outside Alberta.

To avoid marketing difficulties when feeder cattle are sold, Mr. Link strongly recommends checking the brands on all feeders to make sure that the information on the bill of sale corresponds with the brands or absence of brands on the animals. If it does not, the buyer should contact the market operator and the brand inspector and have it corrected.

Cubs and Scouts Need Leaders

Drayton Valley Cub and Scout organization is badly in need of more leaders for the two boys' groups. Anyone -- parents, men and women -- or anyone else who would like to devote a few hours each week to helping boys in a very worthwhile undertaking is asked to contact any member of the Group Committee.

Fred Raven, the Rotary representative on the committee, will also be happy to direct inquiries to the committee.

Eggs are not used as main courses for dinner or even supper or lunch as much as they could be when one considers the many ways they may be served and the many more expensive foods they may be added to as stretchers, or the many inexpensive combinations they can be used with for budget stretching meals.

Eggs are one of our least expensive sources of top quality protein and are listed as a meat alternate in Canada's Food Guide. Also, since eggs are actually sold by the pound -- even though they are bought by the dozen -- it is easy to compare costs of egg and meat dishes.

Grade A eggs are divided into sizes for sale and each size indicates a minimum weight per individual egg and therefore per dozen. Grade A Extra Large must not weigh less than 27 ounces per dozen; A Large, 24 ounces; A Medium, 21 ounces; A Small, 18 ounces.

Some recipe suggestions include souffles, omelets, casse-

Some folks are making rather futile attempts to combine their grain, but are finding the fields very muddy. They report spending more time stuck than moving forward. Those who are harvesting the potato crops are also finding it a muddy, wet task. Rudolph and Alma Reich called

roles, or scalloped vegetables with eggs. One very versatile, husband approved, is this one: 4 - 6 hard-cooked eggs 1 1/2 cups medium thick white

sauce 1 small head of cabbage, shredded fine and cooked until just tender-crisp.

Grease a casserole and put in alternate layers of seasoned vegetables, slice hard-cooked eggs and sauce, being sure to have the top layer of sauce, sprinkled with a thin layer of buttered crumbs or grated cheese. Bake in a moderate oven of 350 degrees for 20 minutes or until bubbling hot. If casserole is prepared in advance and refrigerated, allow an extra 15 or 20 minutes cooking time. Serve accompanied by salad and hot rolls.

In place of the cabbage, you could substitute: 1 cup cooked broccoli and 1 cup small onions cooked; or 2 cups cooked cubed carrots and 1 cup cooked peas; or 1 medium cauliflower broken into flowerettes and cooked just tender-crisp; or 3 cups celery cut in one inch pieces and cooked until tender-crisp.

Irene Saretsky spent the weekend at home with her folks. She is enjoying her schooling at Stony Plain.

Bob and Kathy Saretsky and their son who have been living with his parents, have moved to Drayton Valley where they are now going to make their home.

Doug MacDougall of Mayerthorpe spent the weekend of October 4th and 5th visiting with the M. Checkotko family.

Mr. and Mrs. O. Siddons, our former store keepers, were among the congenial group who enjoyed the turkey supper. It is so nice to have the former residents return for a visit with the whole community.

Mrs. Babe Storms of Drayton Valley spent several days visiting with Mr. and Mrs. Ray Storms this past week.

Allan Walker has secured employment at Drumheller for a short time. He is busy on a pipeline.

Colleen Campbell was among the group of children who attended the morning matinee of the Ringling Brothers - Barnum and Bailey Circus in Edmonton on Saturday, October 4th.

Folks in this area are pleased to see two of our residents home from the hospital. Both Mrs. Saretsky and Peter McDougall are well enough to return, now only Roy Walker is left to put in an appearance.

Don and Connie Rose moved into their new home in Edson during this past weekend.

Seeks Help Of Hunters

Alberta Department of Lands and Forests is awarding crests this year to successful mule deer hunters.

The crest, a colorful sewn jacket patch, proclaims its wearer to be "Successful Mule Deer Hunter 1969", and is presented to any hunter who presents the cleaned lower jawbone of a mule deer at a district or regional office of the Fish and Wildlife Division of the department.

The reasons for the crest awards is to collect information on age and sex of mule deer harvested in the province. If an adequate number of jaws are received, wildlife biologists will analyze the findings and determine the average age and male-female ratio of mule deer herds in various parts of Alberta.

Productivity of the different herds can then be ascertained, along with data on the current take of mule deer. Then if necessary, hunting regulations will be adjusted so that the mule deer resource would be better managed if this becomes apparent.

Special Program

There will be a program of gospel music presented by Dennis and Joy Schmidt in the Pentecostal Tabernacle on Wednesday, October 22nd at 8:00 p.m.

Evangelist Joan Cordova will minister God's Word.

All are invited to attend this inspiring service.

4-H Beef Banquet

The Tomahawk 4-H Beef Club plans on having a banquet on October 24th. Everyone is welcome to come for \$1.50 each.
